Property Tax

Revenue received YTD 2016 is \$1.3 million or 17.4% more than collections YTD 2015. The increase of property tax is due to a 17.4% increase of assessed valuations of property. The timing of property tax collections during the first six months of the year can vary from year to year. Property tax payments have three due dates throughout the year. The due date for payment in full is April 30th and due dates for the two payment option are February 28th and June 15th.

Building Materials Use Tax

Building Materials Use Tax revenue YTD 2016 is \$0.3 million or 26.3% more than collections YTD 2015. As depicted in the graph below, 2016 Residential and Commercial permits (New and Remodel) have increased by 298, and One Stop/Miscellaneous permits have decreased by 3,018 when compared to YTD 2015. The total valuation for permits YTD has increased by \$66.2 million as compared to YTD 2015 primarily due to New Residential permits for multi-family units at Inova Dry Creek. The One Stop/Miscellaneous permits decreased compared to YTD 2015 due to re-roofing permits in 2015 from a large hail storm at the end of September 2014.

Franchise Fees

Franchise Fees revenue YTD 2016 is \$0.4 million or 17.6% less than collections YTD 2015. This decrease in revenue is from the Franchise Fees from the natural gas provider. Natural gas prices have been low nationwide which has caused a rate reduction for consumers. Xcel projected the rate adjustment for Quarter 1, 2016 would result in a 21% reduction in natural gas bills for residential and commercial customers when compared to Quarter 1, 2015. The Quarter 2 customer bills were expected to be 9% less compared to Quarter 2, 2015.

Court Fines

Court Fines YTD 2016 is \$0.1 million or 11.7% less than collections YTD 2015. The decrease in revenue is the result of 1,868 less court cases in the first two quarters of 2016 compared to 2015.

Expenditures

Total expenditures and transfers YTD for 2016 are \$1.5 million or 4.9% more than expenditures YTD 2015. The net increase is primarily due to expenditures in the following departments: Law Enforcement, and transfers to the Capital Improvement Fund. Other department contributed to decreases in expenditures from the prior year.

- CH2M.
- Law Enforcement expenditures YTD for 2016 are \$0.6 million or 6.8% more than expenditures YTD 2015. This increase is primarily due to higher expenditures for contracted service obligations.
- Transfers to the Capital Improvement Fund YTD for 2016 are \$3.3 million or 92.0% more than transfers YTD 2015. This increase is primarily due to transfers for street and intersection construction and includes the Arapahoe Road – Waco to Himalaya.

GENERAL FUND – COMPARISON TO BUDGET
--

The City's annual budget is examined on a monthly basis. The actual receipts and expenditures are compared to the budget on a line item or departmental basis. Monthly budget allocations represent a portion of the annual budget that is assigned to each month for comparative purposes. The allocation amount may be either 1/12th of the total amount budgeted for the year, or a specific percentage for that month based on actual receipts or expenditures in prior years. The analysis below compares actual amounts to the 2016 budget amounts.

Revenues

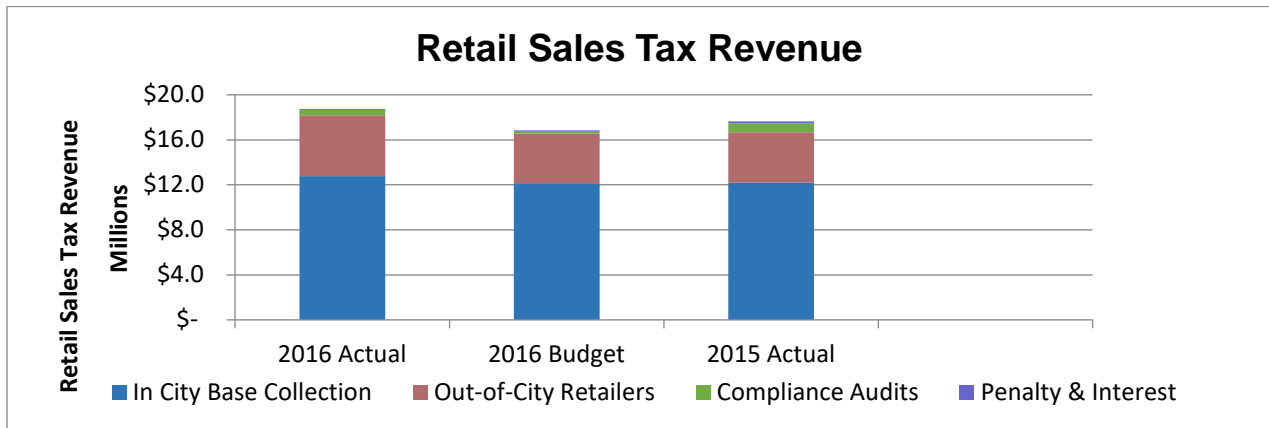

The following table is a summary comparison of primary revenue sources; the table compares actual revenue compared to budget.

Note: Dollar amounts shown have been rounded; percentages are actual based on whole dollars.

Retail Sales Tax

Retail Sales Tax revenue YTD 2016 is \$1.8 million or 11.3% favorable compared to budget. This favorable variance is the result of higher than anticipated sales tax revenues from out-of-City retailers (\$1.0 million) and in-City retailers (\$0.6 million). These increases are primarily from newly licensed businesses.

Property Tax

Property Tax revenue YTD 2016 is \$0.1 million or 0.7% favorable compared to budget. The timing of Property Tax collections during the first few months of the year may vary from year to year, however the majority of property tax due is received by June each year. The City expects this variance to diminish as the year progresses.

Building Materials Use Tax

Building Materials use tax revenue YTD 2016 is \$0.8 million or more than 98.0% favorable compared to budget. The variance is primarily due to the new commercial and residential permits at Inova Dry Creek, however, the City has several other new projects that have begun this year such as Centennial Liquors and WaterWalk Hotel.

Highway Users Tax Fund

Highway Users Tax Fund revenue YTD 2016 is \$0.3 million or 9.5% favorable to budget. The Highway Users Tax Fund amount available for distribution to all municipalities was projected to slightly decrease, however, the City's distribution has remained consistent with the prior period's distribution.

Franchise Fees

Franchise Fees revenue YTD 2016 is \$0.5 million or 19.0% unfavorable to budget. The unfavorable variance is due to lower than anticipated fees from the natural gas provider. The City did not anticipate a rate reduction by the provider caused by low natural gas prices during the budget process.

Court Fines

Court Fines revenue YTD 2016 is \$0.1 million or 12.6% unfavorable to budget. The unfavorable variance is due to lower than court cases in the Municipal Court. The City had 18% less court cases in the first two quarters 2016 compared to the three year historical quarterly average. The City did not anticipate this large of reduction in court cases during the budget process.

Expenditures

Total expenditures and transfers YTD for 2016 are \$3.4 million or 9.3% favorable compared to the Revised Budget. This favorable variance is primarily attributable to the City Manager's Office, Office of Innovation, Human Resources, Information Technology, Communications, Finance, Nondepartmental, and Public Works, Fleet and Facilities, Municipal Court, and Community Development Administration departments. Other departments and net transfers to other funds also contributed to the favorable variance to budget.

- City Manager's Office expenditures YTD for 2016 are Elected Officials expenditures YTD for 2016 are \$0.1 million or 8.9% favorable compared to the Revised Budget. This favorable variance is primarily due to lower than anticipated costs attributable to Salaries and Benefits.
- Office of Innovation expenditures YTD for 2016 are \$0.5 million or 67.5% favorable compared to the Revised Budget. This favorable variance is primarily due to lower than anticipated costs

attributable to Contracted Services related to the installation of conduit and pull boxes. This favorable variance is expected to decrease through the remainder of the year.

- Human Resources expenditures YTD for 2016 are \$0.1 million or 30.7% favorable compared to the Revised Budget. This favorable variance is due to lower than anticipated security service cost and internship services.
- Information Technology expenditures YTD for 2016 are \$0.1 million or 15.2% favorable compared to the Revised Budget. This favorable variance is due to lower than anticipated project costs services related to ARC GIS project and LIDAR and information technology services.
- Communications expenditures YTD for 2016 are \$0.1 million or 14.2% favorable compared to the Revised Budget. This favorable variance is due to lower than anticipated costs for salaries and benefits in addition to lower than anticipated costs for printing and publishing.
- Finance expenditures YTD for 2016 are \$0.2 million or 19.4% favorable compared to the Revised Budget. This favorable variance is due to personnel vacancy savings and lower than anticipated sales tax audit service costs.
- Economic Development expenditures YTD for 2016 are \$0.1 million or 60.8% favorable compared to the Revised Budget. This favorable variance is primarily due to lower than anticipated costs for consulting services related to the development of an Economic Strategic Plan.
- Nondepartmental expenditures YTD for 2016 are \$0.8 million or 33.1% favorable compared to the Revised Budget. This favorable variance is primarily due to lower than anticipated costs for Incentive Agreements. This favorable variance is expected to decrease through the remainder of the year as incentive agreements are recorded.
- Public Works expenditures YTD for 2016 are \$0.5 million or 6.8% favorable compared to the Revised Budget. This favorable variance is primarily due to lower than anticipated costs year to date for the Public Works service provider, snow removal materials, and signal repair.
- Fleet and Facilities expenditures YTD for 2016 are \$0.1 million or 31.6% favorable compared to the Revised Budget. This favorable variance is primarily due to lower than anticipated costs year to date for capital outlay for vehicles and lower than anticipated costs for professional services and utilities for the City's office space.
- Municipal Court expenditures YTD for 2016 are \$0.1 million or 10.7% favorable compared to the Revised Budget. This favorable variance is primarily due to lower than anticipated cost for salaries and benefits and lower than anticipated costs for traffic officer services.
- Community Development Administration expenditures YTD for 2016 are \$0.2 million or 58.5% favorable compared to the Revised Budget. This favorable variance is primarily due to lower than anticipated costs attributable to personnel vacancy savings and lower than anticipated professional services.
- Net transfers from the Land Use Fund YTD for 2016 are \$0.4 million or more than 100.0% favorable compared to the Revised Budget. Revenues generated in the Land Use Fund are favorable to budget due to higher than anticipated Building Permit Fees that reduce the need for General Fund support through transfers, resulting in a favorable variance to budget.

LAND USE FUND

Comparison to Prior Year

Revenue

- Revenue YTD 2016 is \$0.4 million or 19.2% less than collections YTD 2015. The decrease revenue compared to YTD 2015 is from the Building Permit Fees.
