RTD Light Rail Transit

DIRECTIONS TO DRY CREEK STATION

From Eastbound Dry Creek Road, veer right to enter the station area between S. Chester Rd and I-25.

Once you enter, follow signs to RTD parking. You will briefly drive on the left side of the ramp to access the top floor of the parking garage. You can park in any space not labeled "reserved" once you arrive.

PARKING

Parking at the Dry Creek Light Rail Station is free for 24 hours for vehicles registered in RTD's district, which includes all of Centennial. If your vehicle is registered elsewhere, you can use this website to look up your license plate to determine if you are in or out of the RTD district: http://www.rtd-denver.com/HowToPark.shtml

1. Look for the parking kiosk.
2. Enter your license plate number.
3. Enter the amount of time you will be parked for.
4. If payment is required, insert credit card.
5. The machine will print a receipt. The receipt does not need to be placed in your car; you may keep it with you.

NAVIGATING THE LIGHT RAIL SYSTEM
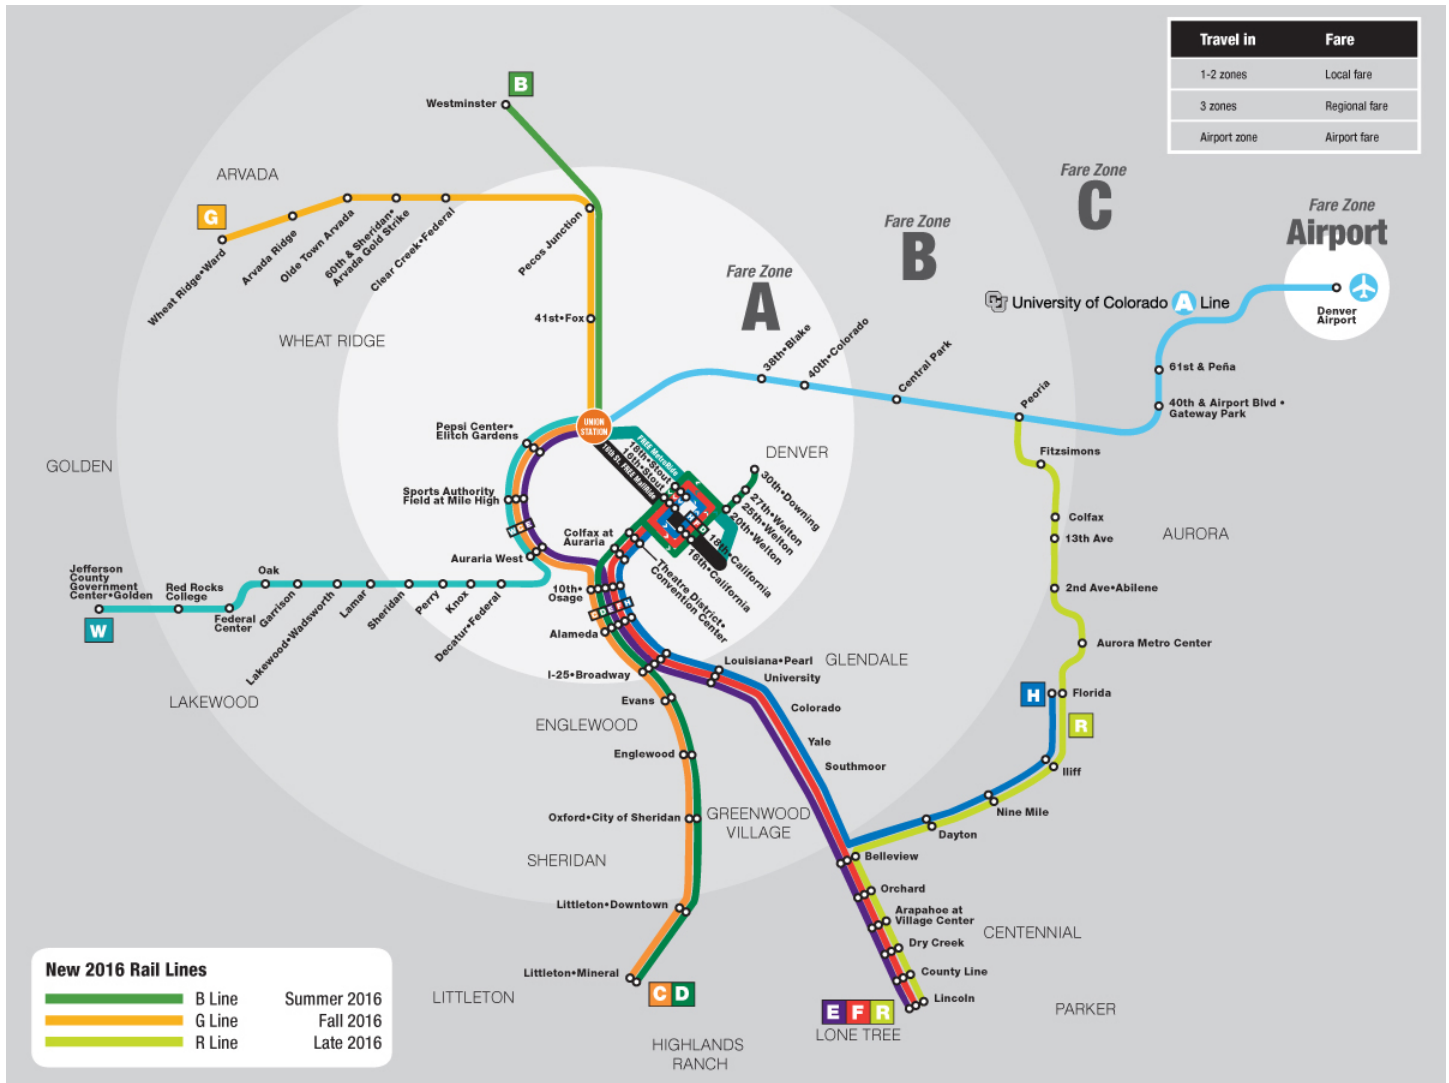

This is the map of all RTD Light Rail routes. You can find this map online and at any light rail station. The Go Denver App is an excellent resource for planning your light rail trip and learning which line to take.

TICKETING

The gray circles in the background of the map delineate fare zones A, B and C. If you are taking the light rail through one to two zones, you will need to purchase a local ticket. If you are taking the light rail through all three zones, you will need to purchase a regional ticket.

Day Pass Prices		
	1 or 2 zones - Local Pass	3 zones - Regional Pass
Full Fare	$5.20	$9.00
Discount* *Seniors 65+, individuals with disabilities, Medicare recipients	$2.60	$4.50

1. Look for the Ticket kiosk.
2. Using the RTD map, determine whether you need a local or regional ticket.
3. If you are in a hurry, select the Quick Ticket option. This will purchase a regional day pass.
4. If you need a local pass, select "Purchase Tickets".
5. Then select local or regional depending on your need.
6. Choose the number of tickets required.
7. Insert credit card.
8. If required, push button for receipt.
