FUNDS SUMMARY-CITY FUNDS

Fund Description, Revenues and Expenditures

General

Used for all resources and expenditures except those required to be accounted for in another fund

Street

Created during the 2020 fiscal year for the purpose of accepting revenues from restricted sources in order to fund the construction and maintenance of the City's streets, sidewalks, and traffic infrastructure

Capital Improvement

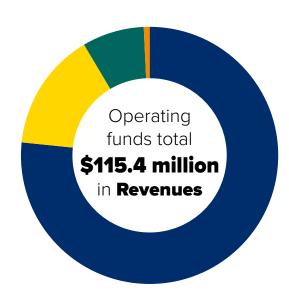

Funded through transfers from the General Fund and may be used for the construction, replacement and major repairs of capital assets

Open Space

Operates in tandem with the Conservation Trust Fund in order to preserve open spaces within Arapahoe County; resources may be used to acquire new open space and parklands, as well as oversee improvements to the existing parks and trails network

Conservation Trust

STAFF RESOURCES

City Staff Summary by Fund and Department

CITY EMPLOYEES AND BENEFITS

The City has 92.0 authorized Full-Time Equivalent positions (exempt and non-exempt) in the 2025 Budget. Contract employees are not included in the FTE count as they are not City employees. Centennial neither recognizes nor bargains with any employee union.

A benchmark survey is conducted each year using a variety of resources to establish salary adjustments. Employees are eligible to receive salary increases based on individual performance. Actual salaries and benefits are calculated assuming that each authorized position is filled for the entire Budget period at the current salary level.

Benefits provided to City employees include paid time off and paid holidays. Health care benefits include medical, dental and vision insurance; disability plans; and life insurance. The City offers pretax options on health insurance premiums, flexible spending accounts under Section 125 of the Internal Revenue Code, and 401(a) and 457 retirement savings plans.

CONTRACTORS

Centennial contracts with private entities and builds partnerships with neighboring jurisdictions to provide services to the citizens of Centennial. Many of the City's core services, including Law Enforcement and Public Works, are contracted using third-party service providers.

A major goal of the City is to provide responsive government. The City has a 24-hour, seven-day-a-week citizen response center that is ready to respond to the needs of the community. The utilization of contractors for government services provides flexibility in responding to the changing needs of the community.

CITY CLERK'S OFFICE

Department Description and Budget Detail

The City Clerk's Office is responsible for all official City records, legal publications, records management and handling of open records requests. The City Clerk is the secretary to City Council and attends and records all City Council meetings and prepares City Council agendas, packets and minutes. The City Clerk's Office maintains the Centennial Municipal Code, legal notice publications and meetings notices. Also, licensing administration (including Liquor, Massage Parlor and Pawnbroker licensing) is a responsibility of this office, working with the Arapahoe County Sheriff's Office in enforcement of licensing concerns. The City Clerk's Office administers Centennial's special municipal elections. The City Clerk, as a Designated Election Official, assists the County in the conduct of coordinated elections. The City Clerk sits as the chairperson for the Centennial Elections Commission and oversees Fair

Campaign Practices Act filings for candidates for municipal office, as well as filings for various issue committees. The City Clerk manages the ad hoc appointment committees for the various City boards and commissions and the membership rosters. The Clerk's Office is a registered Acceptance Agency to accept passport applications on behalf of the U.S. Department of State.

The mission of the City of Centennial Municipal Court is to efficiently and expeditiously adjudicate all cases filed within our jurisdiction while providing exemplary customer service. The Municipal Court adjudicates traffic, animal control, code compliance and general code violations of the City. Court staff assist the Presiding Municipal Court Judge and Prosecutors with various legal duties.

COMMUNITY & ECONOMIC DEVELOPMENT

Department Description and Budget Detail

The Community and Economic Development function of the city government is responsible for the growth, development and maintenance of land use within the City. CD is made up of Building Services, Neighborhood Services, and Planning, as well as two contracted services, Code Compliance and Animal Services.

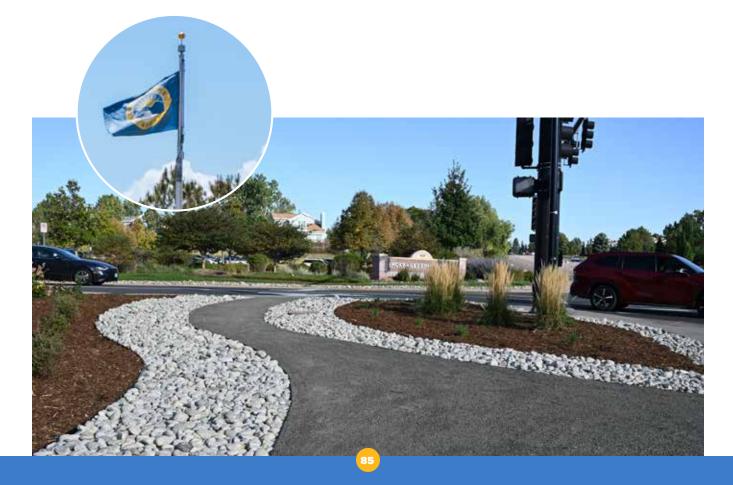

The Building Services, Neighborhood Services and Planning divisions are responsible for managing the physical growth and development of the community to preserve quality of life, enhance property values and protect public safety by overseeing open space programming, current planning (land use cases, sign and fence permits, etc.), building (permits, inspections and building codes) and neighborhood services (grants, movie nights, mediation, etc.).

The Economic Development division's role is to maintain and expand Centennial's vibrant economy through the retention and expansion of existing businesses and attraction of new investment. Economic Development assists in creating and

maintaining high-quality real estate within the City. The division is currently engaged in a multi-year effort to develop a future land use vision for Midtown Centennial.

The Code Compliance division (Jacobs Contract-managed by Neighborhood Services) promotes a desirable living and working environment through the enforcement of codes to protect property values and quality of life. With a focus on voluntary compliance, the Code Compliance division seeks to partner with residents, neighborhood organizations, businesses, public agencies and other City departments to enhance the understanding of local regulations and, in doing so, foster civic pride.

Animal Services (Humane Society of Pikes Peak Region (HSPPR) Contract-managed by Neighborhood Services) is committed to preserving the quality of life in the City by serving and protecting citizens and animals in our community through enforcement of animal-related laws and education of residents on responsible pet ownership.

PUBLIC WORKS

Department Description and Budget Detail

Public Works administration manages all functions of the department to provide a well-functioning and well-maintained street system to ensure safe and efficient transportation for the public. It manages and coordinates work activities for public works capital improvements, transportation planning, traffic engineering and street maintenance. It also manages information services for the department, which includes the business systems (i.e., phones and computers) and the 24-hour Citizen Response Center. The department is responsible for coordinating the activities of contractors and utility providers for work in the public right-of-way for new developments; issuing development permits; and coordinating and inspecting construction for all new developments.

The Traffic Engineering Services division is responsible for transportation planning, traffic engineering and neighborhood safety to provide a safe and efficient transportation system for City residents and commuters. The division works with state and local transportation agencies to coordinate efforts to improve the transportation network. It also manages the collection of traffic data, reviews development plans and traffic studies, manages traffic signs and pavement marking programs, manages the operation and maintenance of traffic signals, reviews and analyzes accident data and identifies and recommends intersection improvements.

Field Services provides a well-maintained street system through its street sweeping, mowing, pavement patching, concrete replacement, crack sealing, lane striping, pavement marking and sign maintenance programs. It also provides snow removal services for the City's designated priority streets. The division is responsible for coordinating the activities of utility providers, issuing permits and inspecting construction for all work within the public right-of-way.

Facilities and Fleet provide ongoing maintenance to the City's buildings, park and fleet assets. This includes: providing operational oversight and monitoring services for Centennial Center Park; landscape maintenance; inspection and maintenance of playground and park equipment; regular and routine maintenance on fleet vehicles; general maintenance at the Civic Center and public works facility; performing condition assessment on the City's equipment; and snow removal, all while minimizing interruptions of the day-to-day operations of citizens, employees and general City business.
